# AWANA = FUN

Awana takes fun "seriously". Our club meetings are so exciting that kids can't wait to come back for more!

But fun is only the start. While kids are having a blast, they're learning and growing too. They learn verses and spiritual truths that encourage them. They also build teamwork as they enjoy game time together. Awana is a fun approach to a serious need; the need for a relationship with God and with others.

What do kids learn at Awana? Awana teaches children that God is real, he loves them, and he has expressed that love through his son, Jesus Christ. Kids also discover in the Bible that they can know Him and live a life pleasing to Him.

We would be thrilled to have your child join us this week at Awana.
